Facilitator: Domenica Rafferty MS, NCC, LPC. Domenica is a Licensed Professional Counselor who has a wealth of experience with child development.

RSVP: To Domenica 484.459.4998 by April 25

Why are they acting that way?

What do they want?

Why won't my bundle of energetic joy not eat something today that they loved yesterday?

Why are they repeatedly telling the same story, or asking the same question?
