Partnership Banking

Open a new account at DNB First and specify the Peacemaker Center as your designated charity.

It's that easy!

DNB First will do the rest.

- DNB First will make a one time contribution based upon the number of new accounts opened and designated to the Peacemaker Center.
- DNB First will make an annual (and perpetual) contribution to the Peacemaker Center based upon the combined average balance of all the accounts designated. (Your account balance is not affected in any way and your account information remains private.)
- If you have an **existing account at DNB First**, contact them to specify the Peacemaker Center as your designated charity.
- Call any DNB First office for more information or for a brochure.

Offer may be changed or
withdrawn at any time.
